PATIENT PRIVACY

The personal health information that you provide during your consultation and subsequent treatment will be used for the purposes of providing you with high quality health care. Our policy is to protect your privacy and accordingly the information you provide will only be disclosed to other members of our multi-disciplinary team at Adelaide Health Care. This includes our doctors, practice nurses and clinical pharmacist. It will be disclosed to other organisations where required by law. Your contact details may be disclosed for billing or debt recovery purposes.

Adelaide Health Care uses patient health information to assist in improving the quality of care we give to all our patients. Your information held by the practice may be used in research projects to improve healthcare in the community; however, this information will not include data that can identify you.

A copy of our full Patient Privacy Policy is available on our website or at reception. If you have any concerns about the way we manage your health information, please let us know. In the first instance this can be done by contacting the Practice Manager or your doctor. If you are still dissatisfied, you can contact the Federal Privacy Commissioner at: Office of the Australian Information Commissioner (OAIC)

PAYMENT

You understand that payment of all accounts is your responsibility.

You will be charged a fee if you do not attend your appointment without providing a minimum of four hours' notice.

All accounts, other than accounts which are bulk billed to Medicare or which are billed to other Third Party payers, are payable in full at the time of treatment. For your convenience we can accept Cash, EFTPOS or Credit Card. You understand that in the event that accounts which are bulk billed to Medicare or which are billed to other Third Party payers are not honoured by such payers then payment of such accounts is your responsibility.

You also undertake to pay any debt collection and legal costs that may be incurred by Adelaide Health Care as a result of late payment or non-payment of accounts.

Thank you for providing this information, which will assist in your health care.
